Path to the Uplands

Pheasant Fest 2022

Have you ever wondered how your NCLI donations make an impact on a national scale? During the 2022 National Pheasant Fest & Quail Classic, NCLI contributions allowed us to deliver another successful weekend with special booths and events for all ages! It was another exciting year in our ever-popular Youth Village where we once again gave away memberships to kids under 18 years of age. Our Path to the Uplands stage delivered educational and inspirational speakers to a broad audience interested in finding their own unique path. Habitat and pollinator support and education was shared at Pollinator Plaza that truly had something for everyone. And last, but not least, the organization hosted another sold-out Women on the Wing luncheon to inspire the next generation of conservation leaders. Because of your NCLI donations, the Education & Outreach team can share our collective passion and education for the outdoors with thousands of individuals at Pheasant Fest & Quail Classic.

Thank you for your generous support in helping us inspire, motivate, and educate others on the importance of our mission!

Spring turkey season is right around the corner and it's the perfect opportunity to mentor someone new to hunting!
